

Job Description

Upholstery Technician

Job Summary

Fine Line Interiors & Upholstery is the largest privately owned upholstery shop in Northern California and is recognized as one of the leading and most reputable upholstery companies in the region. Whether you are looking to learn a trade or are an experienced upholsterer looking for a fulfilling career, we would love for you to join the Fine Line Interiors & Upholstery team!

Upholstery Technicians are essential team members and play a key role for Fine Line Interiors & Upholstery. The position requires a highly-skilled and self-motivated team member to undertake a variety of upholstery activities. Reliability and a strong work ethic combined with great communication skills are a must, as well as familiarity with all necessary shop and upholstery equipment. This role is perfect for someone who has experience in automotive, marine, residential, or commercial upholstery projects, is self-sufficient, detail oriented, organized and a great team player.

Upholstery Technician Duties and Responsibilities

Experienced Upholsterers must be able to do the tasks below with high attention to detail and quality under the supervision of the Lead Upholsterer

- Determine amounts and types of covering materials
- Remove old covering, webbing, padding, and/or defective springs from workpieces
- Weave and fasten strips of webbing to the back, sides, and underneath of furniture, using small hand tools and fasteners
- Operate saw table and band saw machines to perform simple frame cuts

- Build furniture internal padding using dacron, cotton batting, edge roll, webbing, burlap, foam, etc
- Measure, cut, and trim foam with hand tools as well as change foam inserts out of cushions
- Stuff cushions with polyester batting
- Measure, cut, and prep covering material for the sewing team such as fabric, microfiber, microsuede, linen, cotton, velvet, vinyl, leather, hair on hide, etc
- Upholster new covering materials that have large fabric pattern repeat which requires symmetrical matching on furniture
- Upholster skirts to furniture
- Create button tufting using needles, thread, and hand tools
- Create channel backs on furniture
- Attach single welt, double welt, gimp, and decorative nails to covers or furniture frames
- Sew upholstery by hand to seam cushions and join various sections of upholstery materials
- Perform other related upholstery tasks as assigned or be willing to be trained to do so

Upholstery Technician Requirements and Qualifications

- Desired qualifications: 3-5+ years of upholstery experience to be considered
- Qualified candidates need to complete a background check before hiring
- Employees must be able to sit, stand, reach, and carry as needed to complete tasks in a timely manner on a full-shift (8 hours)
- Capable of carrying, lifting, and handling furniture, fabric bolts, materials, packages, etc
- Follow established processes and procedures at work
- Working as a team, assist in furniture pick-up/delivery as well as uninstallation/installation off-site when necessary
- People with a criminal record are encouraged to apply
- Reliably commute or planning to relocate before starting work (Required)
- Driver's License (Required)

Pay

\$18.00 - \$30.00 depending on experience.

Schedule

- 8-hour shift
- Monday to Friday (Day Shift)
- Overtime as needed
